

decotric Roof and Plinth Paint Dach- und Sockelfarbe

Weather resistant, solvent-free synthetic resin emulsion paint in 11 shades for use indoors and outdoors.

Instructions for use:

decotric Roof and Plinth Paint is suitable for painting pantiles made from clay and concrete, fibre cement roofs, roof underviews as well as for house bases made from cement, synthetic resin plaster, concrete and similar mineral surfaces.

Technical specifications:

Components:	Synthetic resin emulsion, coloured pigments
Density:	approx. 1.4 g/cm ³
pH-value:	8-9
Gloss unit according to EN 53778:	matt
Scrubbing cycles according to EN 133300:	> 5,000 DH, scrub resistant to EN 53778
Consumption:	150-200 ml/m ² per coat

Surface preparation:

The surface must be dry, firm, dust and grease free. Remove flaking coats of paint and plaster. If the surface is affected by algae and moss, clean the area with *decotric Algae, Moss and Mould STOP*. Make good cracks and holes using *decofill Exterior* or *decomur Exterior Façade Filler*. Prime highly absorbent, sanding and chalking surfaces with *decotric Deeply Penetrating Primer LF* or *LH*. Apply an undercoat of *decotric Isolating Paint* to new eternit roofs.

Neutralize alkaline, chalky and cement-containing surfaces with *OLAFIRN*

Protect the base from moisture out of the ground or from the inside to guarantee good adhesion of the coat.

Application:

decotric Roof and Plinth Paint is ready to use and can be applied using a brush, paint roller or standard airless devices. The paint can be thinned with approx. 5 % water for the primer coat. After the first coat has completely dried, apply one or two un-thinned coats of paint as needed.

decotric Roof and Plinth Paints can be mixed with each other and with white façade paints. Only use full colour for painting roofs.

Do not use if the surface and /or room temperature are below + 5° Celsius!
Clean tools in water immediately after use.

Important information:

Please see the EU Safety Data Sheet for all safety-related data (EU-CLP).

Storage:

Store in a cool but frost-free place! Keep the containers tightly sealed!

Available sizes:

2.5 l oval PE tub	09XX07001
5.0 l oval PE tub	09XX05001
