

decotric Façade Paint White Acrylate 'Hydromatt' decotric Fassadenweiss Acrylat Hydromatt

White, very well covering, matt, weather-resistant with protecting film against algae and fungus for indoor and outdoor use.

Instructions for use:

decotric Façade Paint White Acrylate is suitable for all mineral surfaces, such as concrete, clay tiles, lime and cement plaster as well as for coats of immersion paint.

decotric Façade Paint White Acrylate is also suitable for interior areas subjected to high wear.

Technical specifications:

Components:	Styrene acrylate emulsion, titanium dioxide, fillers
Density:	approx. 1.5 g/cm ³
pH-value:	8-9
Contrast ratio according to EN 13300:	Class 3 at a coverage of 7 m ² /l
Gloss level according to EN 13300:	matt
Wet Scrub resistance according to EN 13300:	Class 2
Usage:	150-200 ml/m ² per coat

Surface preparation:

The surface must be dry, firm and free of release agents (dust, oil, mould, algae, etc.).

Clean areas affected by mould, moss or algae using *decotric Algae and Mould STOP* and final cleaning using clear water. Prime highly absorbent, sanding and chalking surfaces with *decotric Deeply Penetrating Primer – Solvent Free* or *LH*. Fill and smooth cracks, holes and unevenness using *decofill Exterior* or *decomur Exterior Façade Filler*. Water-soluble contamination of the surface, which could show through when painted over with emulsion paint should be isolated using *decotric Isolating Spray*.

Application:

Apply *decotric Façade Paint White Acrylate* using a paint roller, brush or an airless method.

Depending on the absorbency of the surface, the paint can be thinned with max. 10 % water for the first coat. After the first coat has dried the second coat should be applied unthinned.

decotric Façade Paint White Acrylate can be tinted using *decolor Tinting Paints* in any ratio or using *decoMIX Universal Tinting Concentrates (max. 10 %)*.

Clean tools with water immediately after use.

Do not use on surfaces or in rooms below + 5° Celsius!

Important information:

Please see the EU Safety Data Sheet for all safety-related data (EU-CLP).

Storage:

Store in a cool, but frost-free place! Keep container tightly closed!
